The cost of the proposed acquisition will be met by Hajee Sir Ismail Sait.

Under the proviso to Section 6(1) of the Land Acquisition Act, no declaration can be made unless the compensation to be awarded for the property is to be paid by a Company, or wholly or partly out of public revenues or some fund controlled or managed by a local authority. In another similar case of proposed acquisition of certain land for extension of the Gosha Hospital the Collector who was consulted by G.O. said that, though Hajee Sir Ismail Sait will pay for the cost of acquisition, the land and buildings would be handed over to Government and that the Gosha Hospital is being maintained at the cost of Govt. ment, he was of opinion that a declaration could be issued.

The draft notification under Section 6(1) of the Act received with the I.N.C. may perhaps be published.

The Military Authorities may as usual be consulted.
